29. Effect of some chemical agents on biological membranes

By: Baykousheva, S.

A review without refs. on the mechanism of action of surfactants and org. solvents on biol. membranes.

Indexing

Biochemical Interactions (Section3-0)

Section cross-reference(s): 6

Concepts

Surfactants

biol. membranes response to

Solvents

cell membrane response to

Membranes and Diaphragms

lipid, org. solvents and surfactants effect on

Lipids

membrane, org. solvents and surfactants effect on

Biological study

Cell membrane
