**Subject:** Getting you access to the summary report

Dear Nancy,

I hope you are well. I'm working with Pat to get the summary report (attached) added to our digital repository for you to be able to cite it. I've copied Terry Owen, our DRUM coordinator on this email. In order to upload it, he needs you to send him an email that "grants the University of Maryland a no cost, nonexclusive, right and license to include the scholarly material in the Digital Repository at the University of Maryland ("DRUM") and, through DRUM, to reproduce, publicly display and distribute the material at no cost to users world-wide provided the University does not alter the content of the material."

If you can do that, then, he'll be able to upload it and provide you a link where it is accessible.

Hope that will work, but please let me know if you have questions.

Thanks,

Andrea
