Dear Dr. Richard:

The American Association of Immunologists, Inc., grants permission to reproduce the article “The Agonists of TLR4 and 9 Are Sufficient to Activate Memory B Cells to Differentiate into Plasma Cells In Vitro but Not In Vivo,” found in The Journal of Immunology, vol. 181, pp. 1746-1752, 2008, in your thesis, contingent on the following conditions:

1. That you give proper credit to the authors and to The Journal of Immunology, including in your citation the volume, date, and page numbers.

2. That you include the statement:

   Copyright 2008. The American Association of Immunologists, Inc.

3. That permission is granted for one-time use only for print and electronic format. Permission must be requested separately for future editions, revisions, translations, derivative works, and promotional pieces.

Thank you for your interest in The Journal of Immunology.

Sincerely,

Gene G. Bailey  
Senior Editorial Manager  
The Journal of Immunology
