## Copyright Permission

Berkeley Electronic Press, *Business and Politics*, Editor Vinod K. Aggarwal, and all employees thereof hereby grant Marcus Schaper permission to use material from his article

Marcus Schaper. 2007. Leveraging Green Power: Environmental Rules for Project Finance. *Business and Politics*, vol. 9, no. 3, article 3.

in his dissertation. The dissertation includes verbatim passages also used in the article. Marcus Schaper is entitled to use any text from the article in his dissertation without further attribution.

This permission extends to any future revisions and editions of the dissertation, including non-exclusive world rights in all languages, and to the prospective publication of the dissertation by UMI. These rights will in no way restrict republication of the material in any other form by BE Press or by others authorized by BE Press. Signing of this letter will also confirm that Berkeley Electronic Press owns the copyright to the above-described material.
