

Questions for Semi-Structured Interviews with Faculty

Question 1: In previous semesters, have you had a librarian visit your class?

If yes:

- a. How did this session compare with previous sessions in terms of student engagement?
- b. How did this session compare in terms of efficiency (number of topics covered)?
- c. How did this session compare in terms of effectiveness (quality of instruction)?

If no:

- d. Why have you not requested an instruction session with a librarian previously?

Question 2: Do you plan on requesting a librarian instruction session again in the future?

If yes:

- a. Would you request a traditional instruction session (librarian led lecture and demonstration)?
- b. If offered, would you be willing to let the librarian flip the classroom using Canvas again?

If no:

- c. What could the library offer to make an instruction session more appealing?
