Dear Kerry,

Thank you for contributing your presentation from the Spring MARAC conference in Pittsburg for inclusion in MARAC permanent repository at the University of Maryland. Because this is a joint poster, I will also need agreement from your co-authors. Can you forward their emails to me?

Please read the DRUM license below, and reply to this email that you agree to the terms of the license.

By signing and submitting this agreement, I grant the University of Maryland a no cost, nonexclusive, right and license to include the scholarly material identified below in the Digital Repository at the University of Maryland ("DRUM") and, through DRUM, to reproduce, publicly display and distribute the material at no cost to users world-wide provided the University does not alter the content of the material. I understand that if I wish to publish the material with a third party that requires me to assign to it all my rights in the material, I may direct the University to remove the material from DRUM. In such an event, I understand that a bibliographic reference to the material will be retained in DRUM, but the material will be removed to a "dark archive" that is not publicly accessible. I represent that I am the sole or joint owner of the entire copyright in the material or, to the extent that I do not hold copyright in any part of the material, that I have written authority from the owner of copyright to grant this license to the University of Maryland. If the material is based on work that was sponsored or supported by an agency or entity other than the University of Maryland, I represent that I complied with any requirements the sponsor may have imposed on publication including a right of review or inclusion of an acknowledgement of its support.

This agreement will be interpreted and governed in accordance with applicable Federal law and the laws of the State of Maryland without reference to its conflict of laws rules.

Thank you,
Joanne

Good morning!

Kerry has contributed the poster from the student poster session at MARAC to be included in MARAC's digital repository at the University of Maryland. Since you are included as coauthors we will need your permission to make this work available. Please read the terms of the license at the end of this email and reply back that you agree.

Best,
Joanne
