28. Glucose isomerase enzyme

By: Baykousheva, S.

A review with no refs. on microbial formation of glucose isomerase, its activation, and industrial uses.

Indexing

Enzymes (Section7-0)

Section cross-reference(s): 10, 16

Concepts

Microorganism

glucose isomerase of, formation and activation of

Substances

9055-00-9 🔍

of microorganisms, formation and activation and industrial application of
Biological study
