Daytime Phone Number	Email Address	

Electronic Distribution Information (Please check only one):

- ☐ I authorize immediate access to the electronic full text of my work through ProQuest and DRUM
- ☐ I request that the University of Maryland embargo (restrict) access to the electronic full text of my thesis or dissertation through DRUM for:

☒ One (1) year ☐ Six (6) years ☐ Indefinitely*

**an indefinite embargo requires written approval by the Dean of the Graduate School*

Copyright Clause for U.S. Government Employees Only

The work entitled _____ was prepared as part of my official duties as an employee of the U.S. Government and, in accordance with 17 U.S.C. 105, is not available for copyright protection in the United States. ☒ Does Not Apply

By signing and submitting this agreement, I grant the University of Maryland a no cost, nonexclusive, right and license to include the scholarly material identified below in the Digital Repository at the University of Maryland ("DRUM"), and, through DRUM, to reproduce, publicly display, and distribute the material to users world-wide at no cost provided the University does not alter the content of the material.

I represent that I am the sole or joint owner of the entire copyright in the material or, to the extent that I do not hold copyright in any part of the material, I have the written authority from the owner of copyright to grant this license to the University of Maryland. If the material is based on work that was sponsored or supported by an agency or entity other than the University of Maryland, I represent that I have complied with any requirements the sponsor may have imposed on publication including a right of review or inclusion of an acknowledgement of sponsor support.

I acknowledge that I have reviewed the options for making my thesis or dissertation publicly available through DRUM and that I have discussed these options with my advisor. I understand that I must enter into a separate license agreement with ProQuest for my work to be included in its database.
