

AHN Holding Community-Based COVID-19 Vaccine Clinics

PITTSBURGH (KDKA) - Allegheny Health Network is partnering with local bars, restaurants, salons and barbershops to make it easier for people to get a COVID-19 vaccine.

The campaign will kick off on Thursday from noon until 3 p.m. at the Elevationz hair salon on Second Avenue in Hazelwood.

Experts say the recent Omicron surge shows the pandemic isn't over and that people who haven't gotten their vaccine yet should.
