

WILMER'S PARK INSPIRATION POP-UP

ADVANCED PAINTING: ART AND COMMUNITY

ART427 SS23

STUDENTS IN PROFESSOR BRANDON DONAHUE-SHIPPI'S **ART 427 ADVANCED PAINTING: ART AND COMMUNITY** APPLIED THEIR COURSE LEARNINGS IN THE FORM OF AIRBRUSH APPLICATION AND PAINTING. THIS PROJECT CONTRIBUTED TO THE CONTINUING SCENARIO PLANNING AND DEVELOPMENT OF THE WILMER'S PARK HISTORICAL SITE FOR THE CLIENT; PRINCE GEORGE'S COUNTY PARKS DEPARTMENT.

RESEARCH WAS DONE ON THE HISTORY OF WILMER'S PARK THROUGH SITE VISITS, GUESTS, AND MEETINGS WITH THE CLIENT. STUDENTS TRANSLATED THE STORIES AND MEMORIES OF THE PARK INTO AN ARCHIVE OF AIRBRUSH PANEL DESIGNS. THESE DESIGNS WILL COVER A TENT/CANOPY THAT WILL BE USED FOR A POP-UP APPEARANCE AT ANY PARKS DEPARTMENT EVENT ASSOCIATED WITH WILMER'S PARK. THE TENT/CANOPY WILL SERVE AS AN ARCHIVE OF THE "REVIVAL" OF THE LEGACY OF WILMER'S PARK.
