# GIS AND SPATIAL DATA CENTER

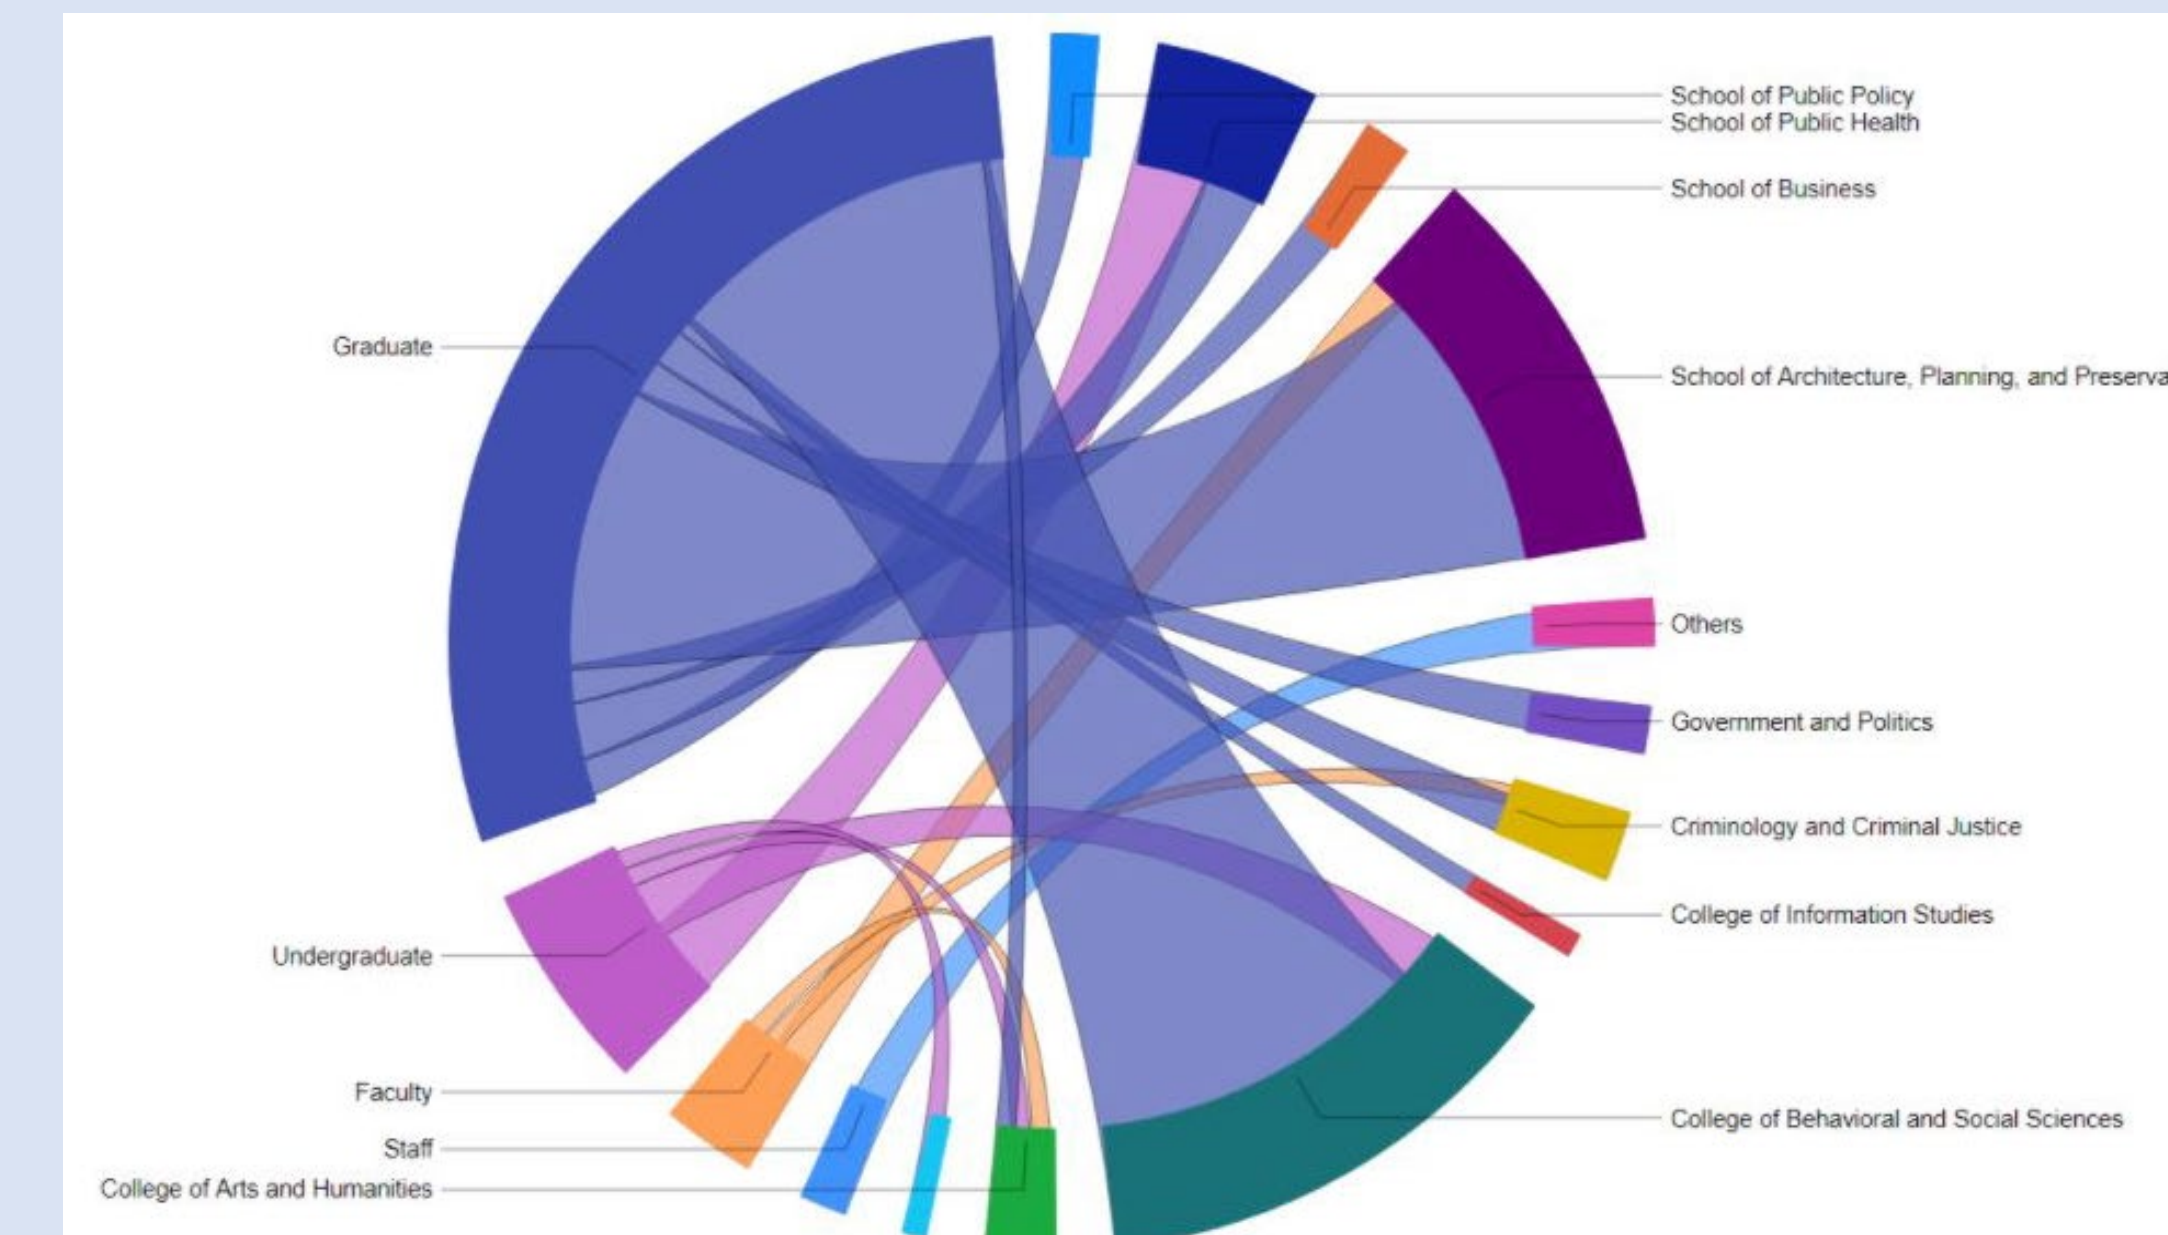

## USER COMPUTING STATISTICS

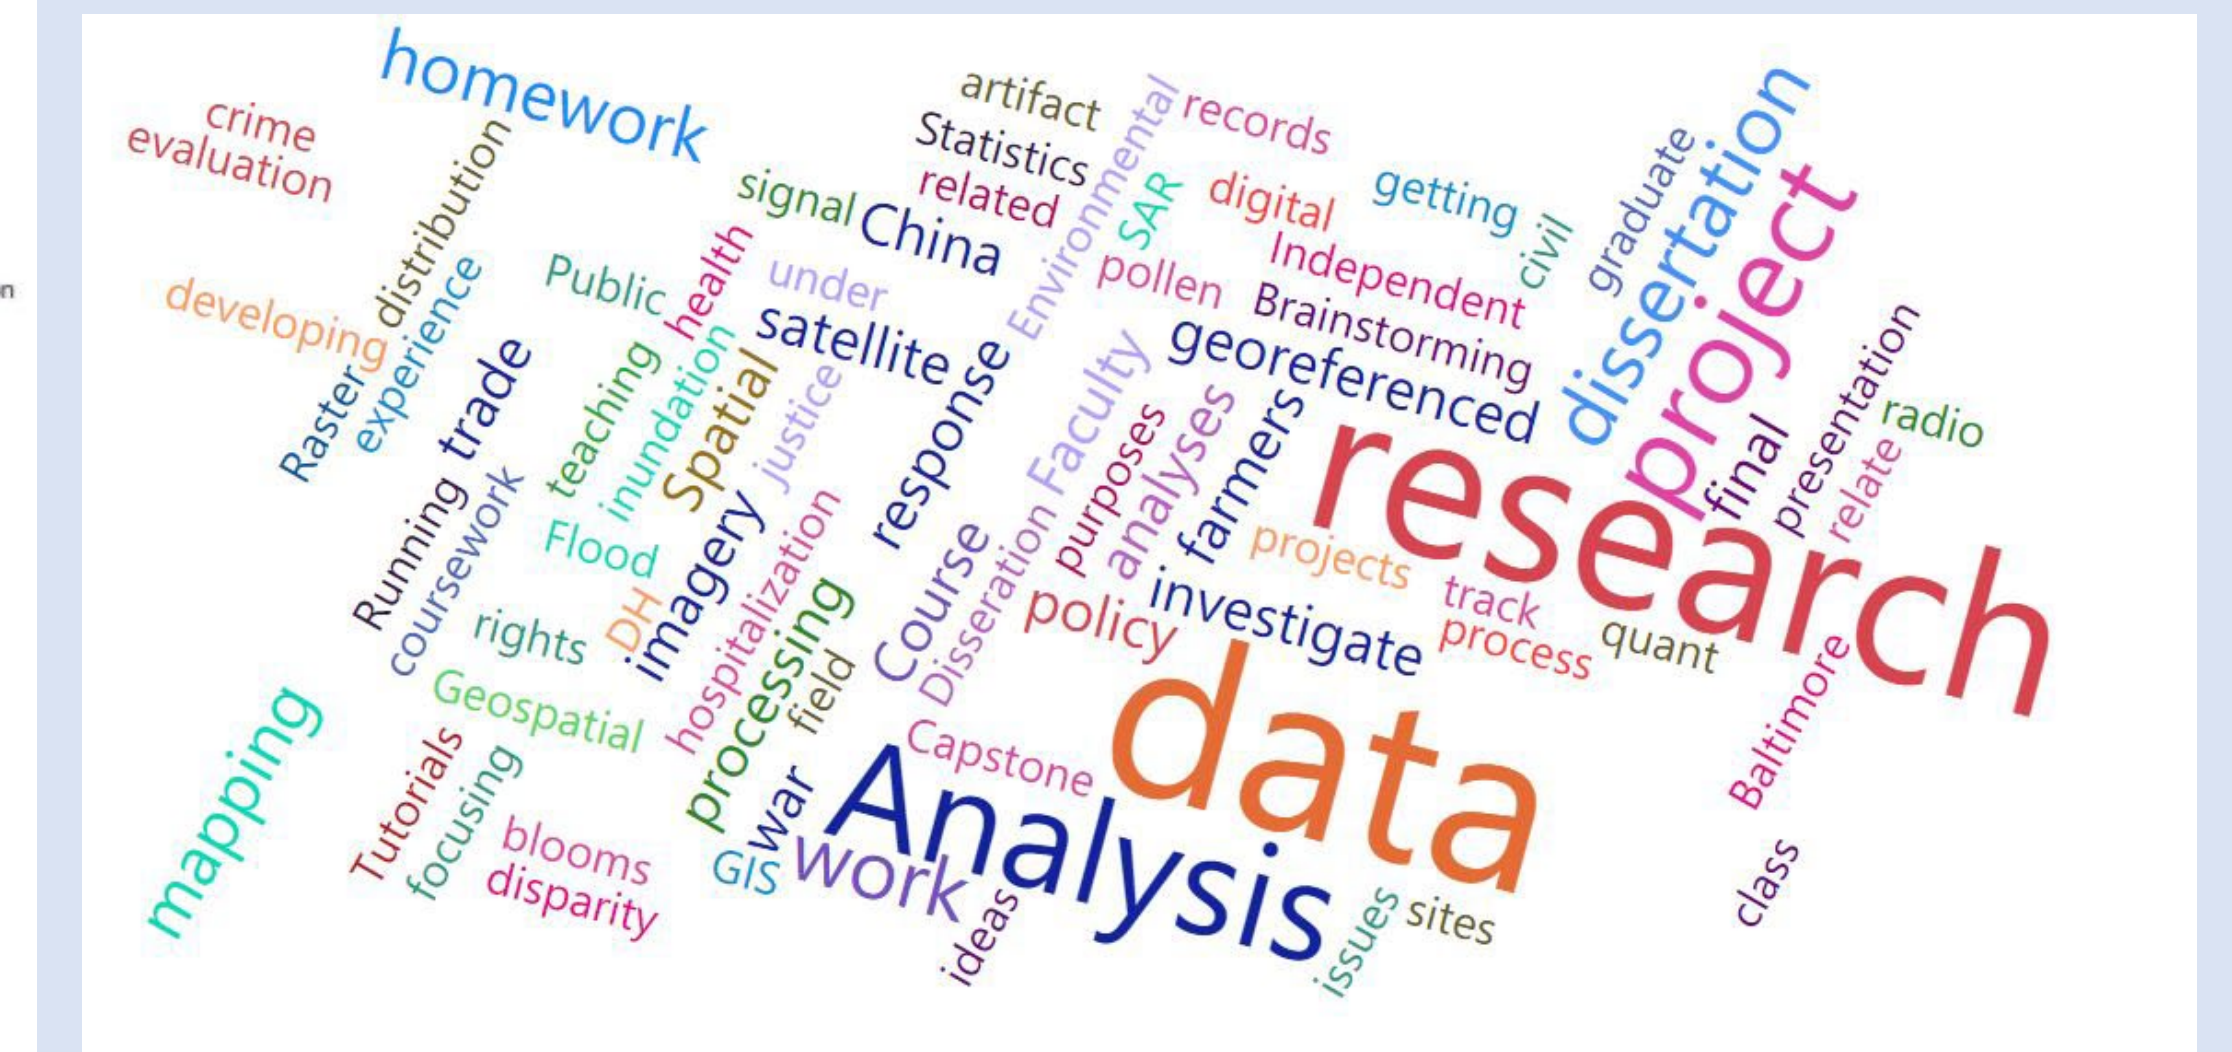

- The Main goal of the lab was to connect UMD users with GIS computing during the pandemic
- Launched in October 2020 and was Live 24/7!
- Loaded with more than a dozen of GIS, RS and Statistical software
- Check out/in the dedicated machine to run data-time intensive workflow

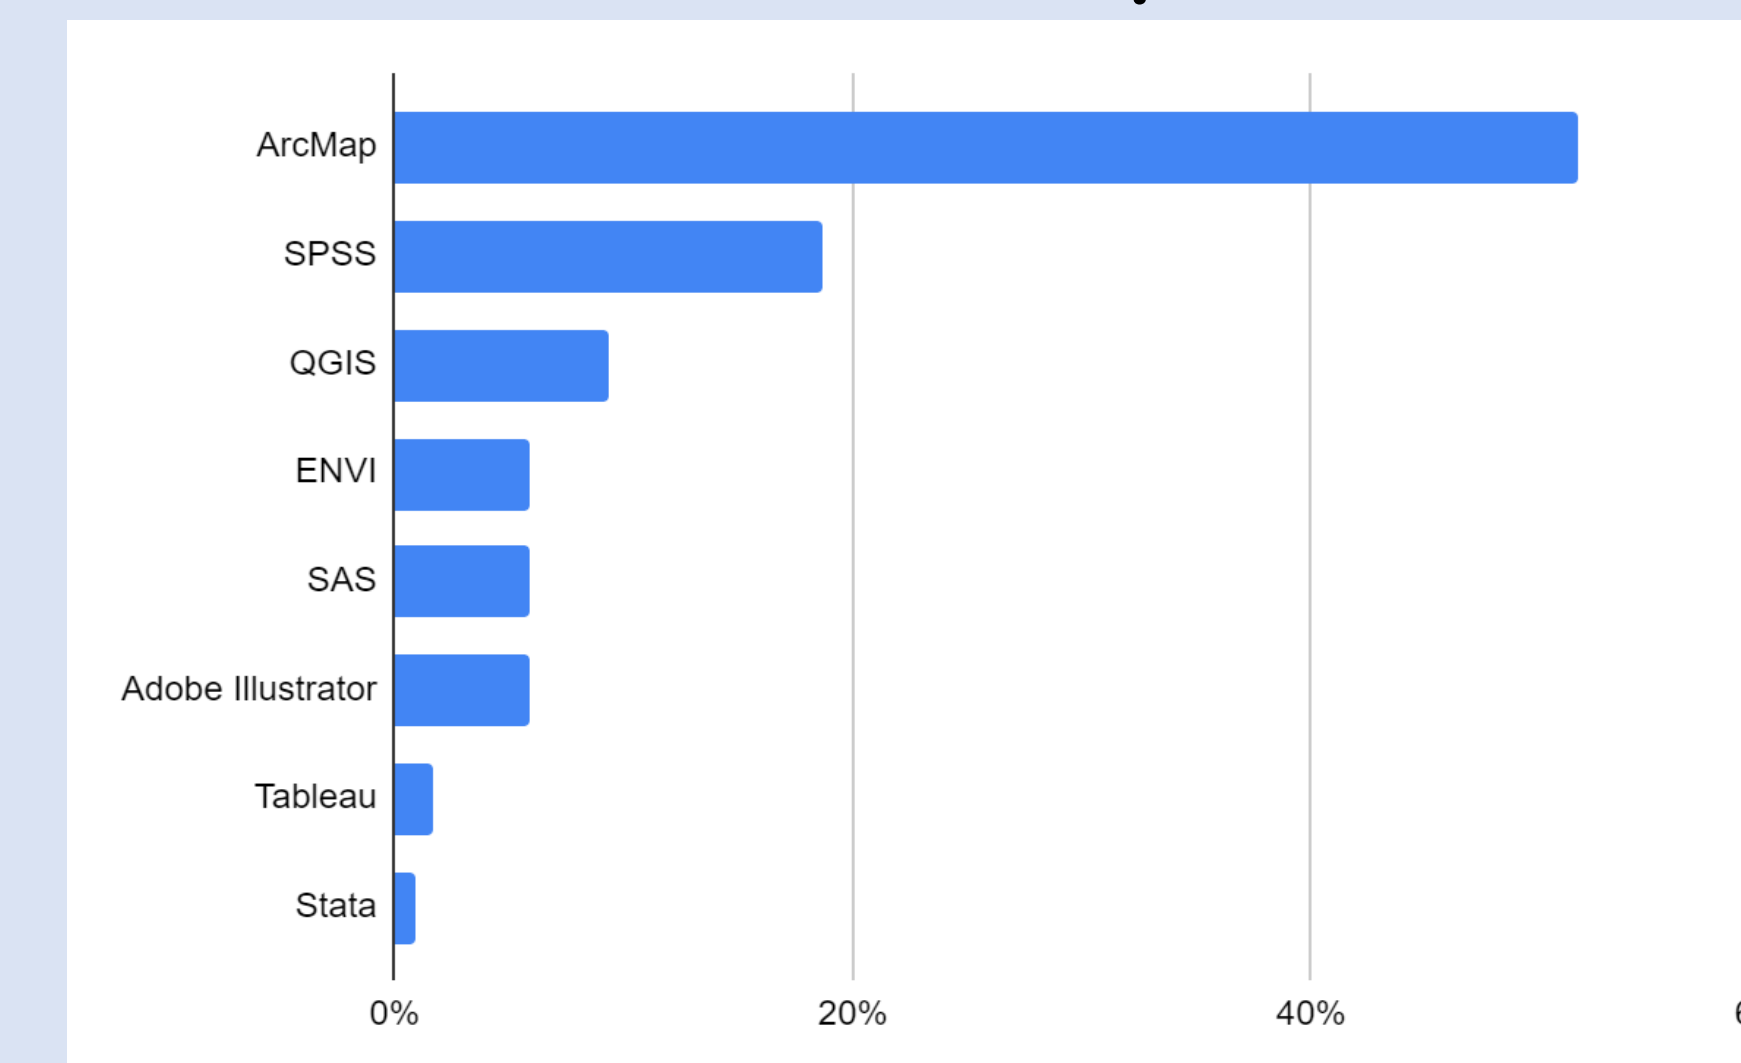

## Who is using/used the lab?

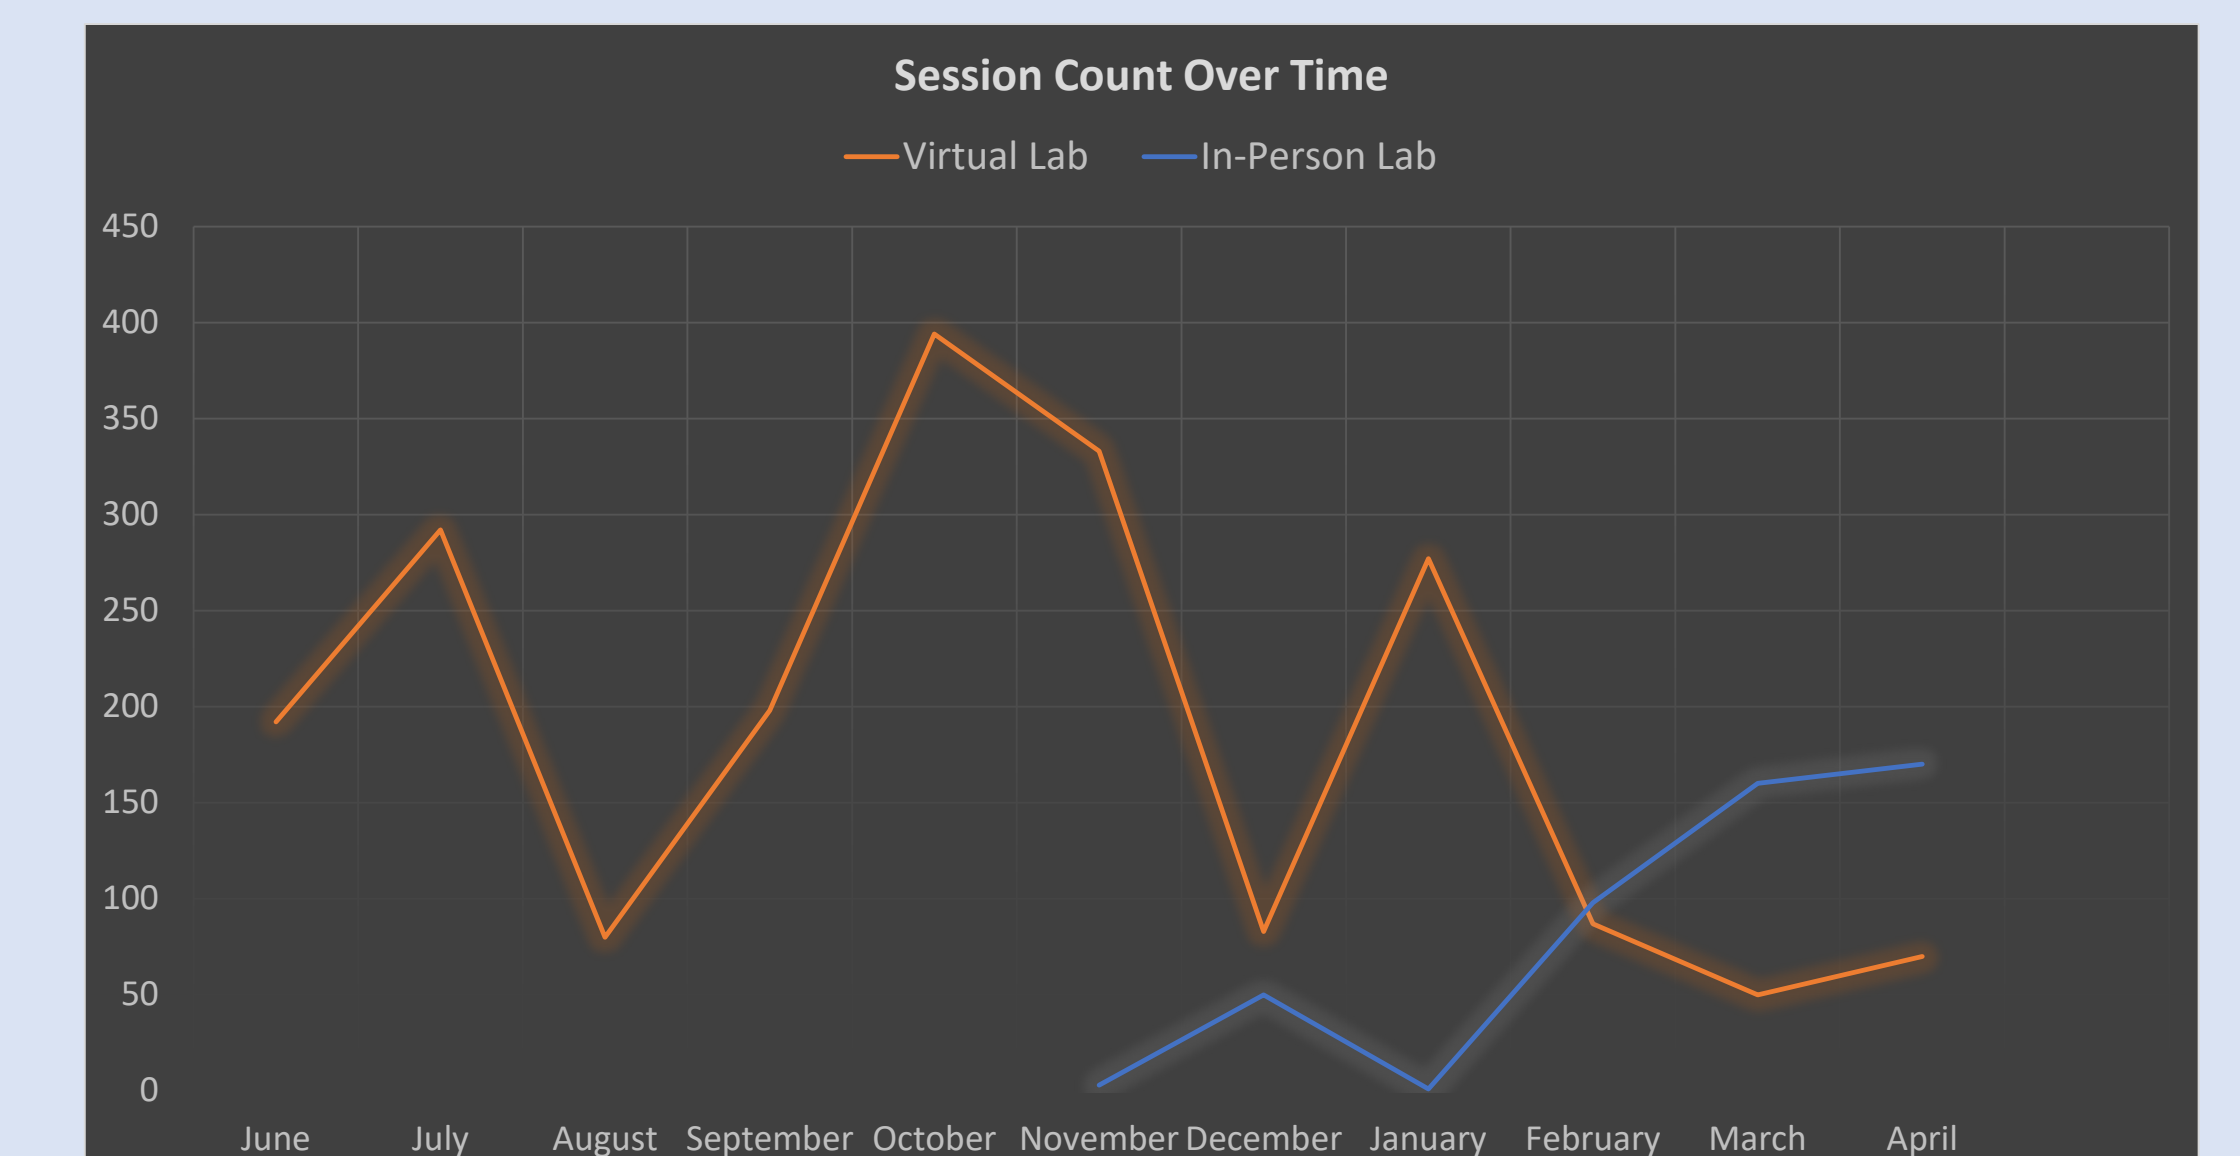

## How the lab is being used for?

## Software Request

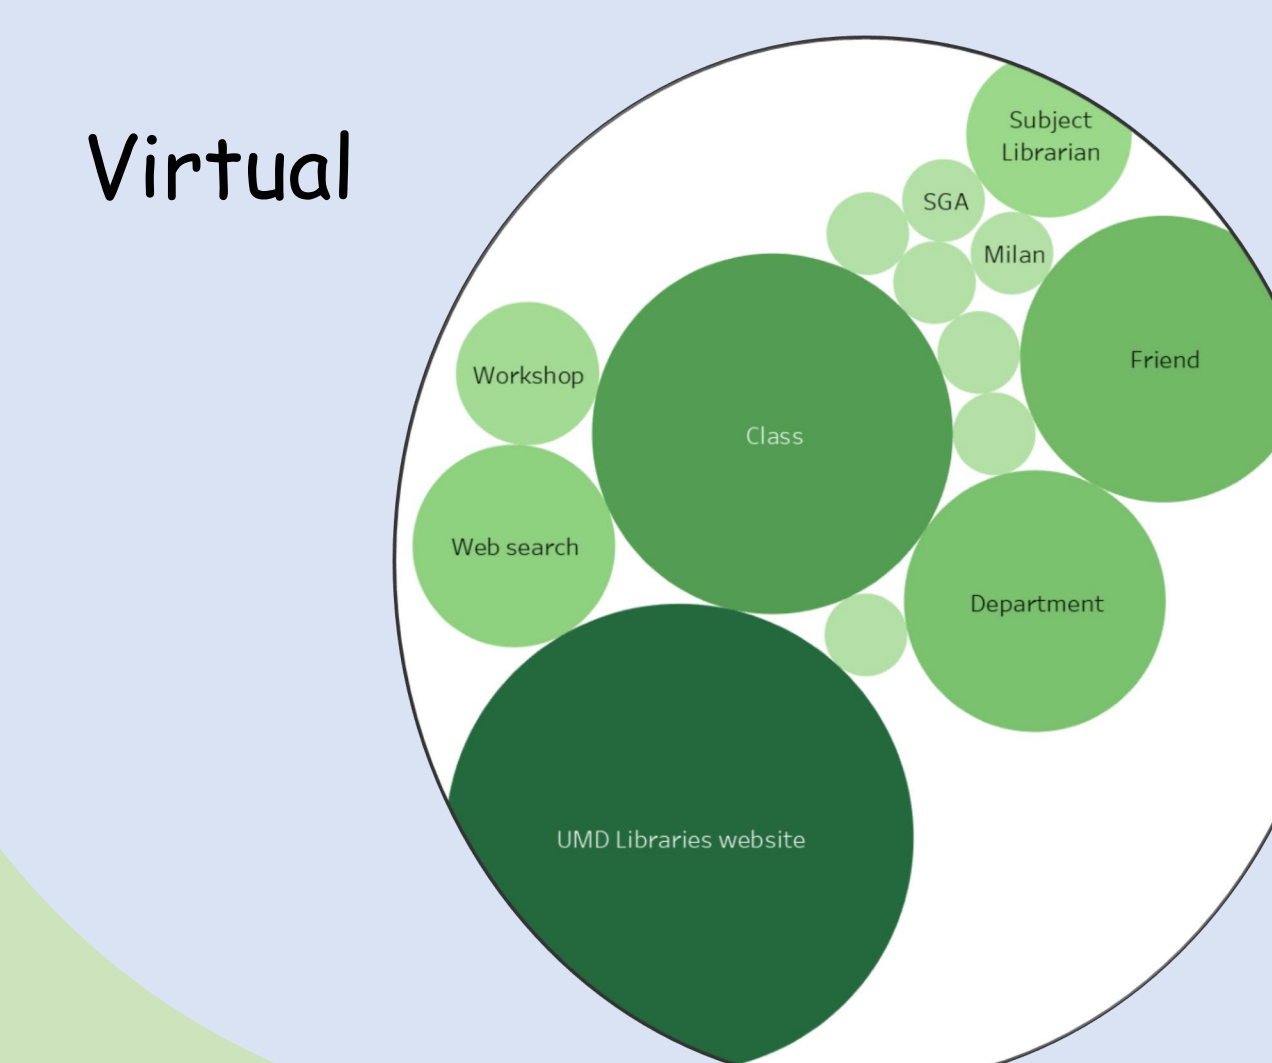

## Lab Temporal Usage

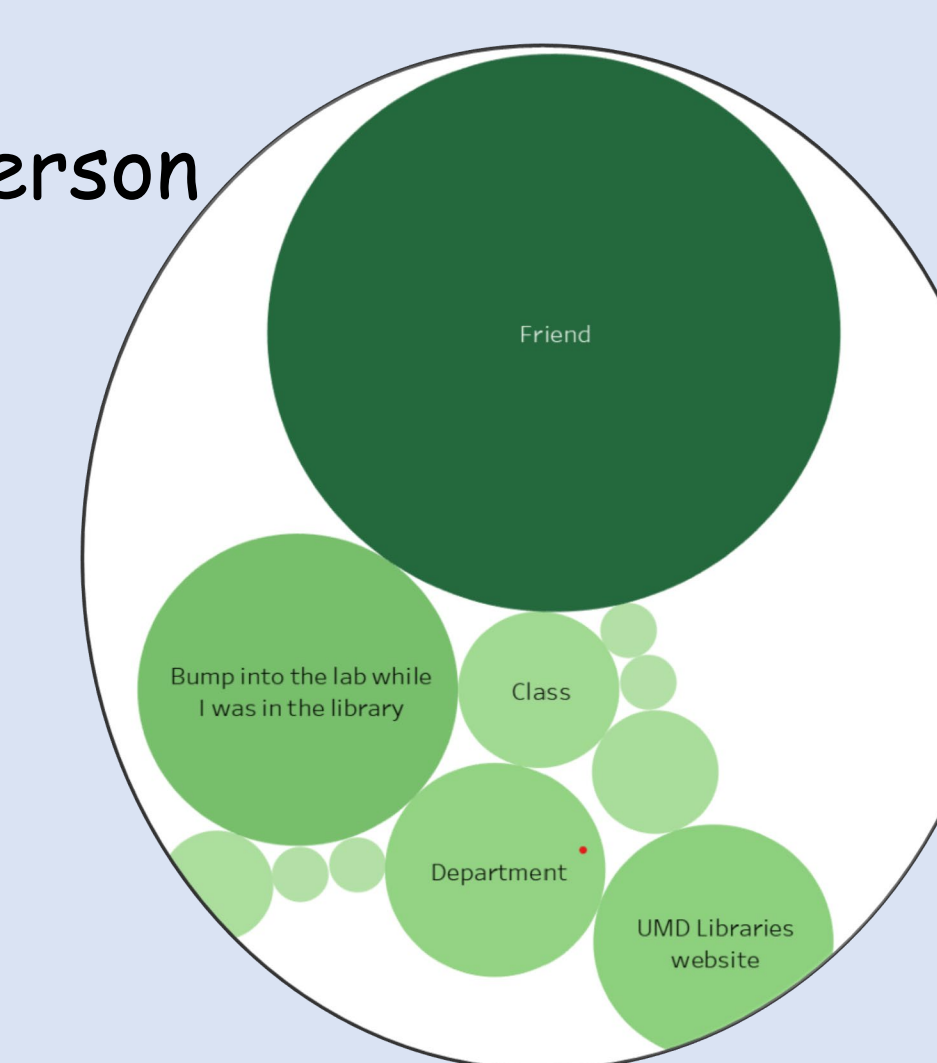

## USER FEEDBACK

### How did they hear about the lab?

In-person

Preferred future use
